Art Unit: 3624

DETAILED ACTION

1. This communication is in response to amendment filed 10/28/05.

Continued Examination Under 37 CFR 1.114

2. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 10/28/05 has been entered.

Response to Amendment

3. Claims 1, 7, 15 and 22-23 have been amended as per amendment request.

Response to Arguments

4. While the amendment has overcome deficiencies outlined in the prior office action (see 112(second) rejection), the claims in the present form contain certain minor deficiencies which must be addressed.

Claim 1 step (a) should be corrected to read "wherein the collection model is based on .." and "and wherein the non-stationary asset based loans include.."

In step (f) "the non-statutory asset" has no antecedent basis in the claim. It is suggested that it be changed to read "a non-statutory asset".

(All independent claim should be amended accordingly.)

Art Unit: 3624

In dependent claim 7 is missing step which corresponds to step (b) of claim 1.

Allowable Subject Matter

5. Claims 1-31 are deemed allowable subject to resolution of the informal matters.

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to JAGDISH PATEL whose telephone number is (571) 272-6748. The examiner can normally be reached on 800AM-600PM M-Th.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Vincent Millin can be reached on (571) 272-6747. The fax phone number for the organization where this application or proceeding is assigned is 517-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
